Dear Sirs:

We represent the Estates of Max Silberstein, deceased and Martin Soria, deceased, who were killed in the Sabena Airlines airplane accident, in Brussels, Belgium, on February 15, 1961. We understand, from the Civil Aeronautics Board, that there has been no American investigation into the accident, and that information, or investigation reports or material must be obtained through your office.

Would you, therefore, be good enough to obtain for us any investigation reports, exhibits, or other available material relating to the cause of this unfortunate accident.

Thank you.

Sincerely yours,

KREINDLER & KREINDLER
